# Overview

Accessibility developments for :

- Gmail
- Search
- Toolbar
- Maps & Transit
- Books
- Video & Captions
- Short Topics
  - Calendar, Google Groups, Documentation

# Gmail

- Different ways of getting to your Gmail
  - Standard Interface, Basic HTML, Mobile
  - POP, IMAP
- Standard Interface
  - Improved keyboard navigation
  - Decorated links work with Enter key
  - ARIA roles

# Gmail - basic HTML

- No Javascript.
- Supports older and newer browsers alike. Lynx anyone?
- Access keys; section headers
- Labels, filters, multi-account support

The screenshot shows the Gmail interface for user `annam@annam.org`. The top navigation bar includes the Gmail logo, a search bar, and links for "Search Mail", "Search the Web", and "Show search options". A yellow notification banner states "Your filter has been updated." The left sidebar contains navigation links for "Compose Mail", "Inbox (7)", "Starred", "Sent Mail", "Drafts (1)", "All Mail", "Spam (216)", "Trash", and "Contacts". The main content area is titled "Settings" and has tabs for "General", "Accounts", "Labels", "Filters", and "Forwarding and POP". The "Filters" tab is active, displaying a list of filters applied to all incoming mail. Each filter entry includes its matching criteria and the action to be taken, with "edit" and "delete" buttons for each.

# Google Search

## Universal Search

## Plus Box

The screenshot shows a Google search for "iphone". At the top, the search bar contains "iphone" and the "Search" button. Below the search bar, the navigation tabs "Web", "News", "Video", "Patents", "Blogs", and "Shopping" are visible, with "Web" highlighted. The search results are for "Results 1 - 10 of about 154,000,000".

The first result is a sponsored link for the "Official iPhone Store" with a yellow background. Below it are "News results for iPhone" with a small image of the iPhone and several news snippets. Further down are links for "Apple - iPhone", "Apple - iPhone - Features", "iPhone - Wikipedia, the free encyclopedia", "Will It Blend? | Presented By Blendtec", "Will It Blend? - iPhone", and "A Closer Look At The iPhone".

This screenshot shows a YouTube search result for "Happy Days". The video title is "Remember Happy Days?!!! ... I watch 'Happy Days' again every ...". The duration is "1 min 12 sec" and it has a 5-star rating. A red circle highlights the "Watch video" link, which is accompanied by a small thumbnail image of a person.

## Changes to Text Ads

The diagram compares two text ad formats. On the left, the "Old format" is shown in a blue-bordered box. It contains the text "Luxury Cruise to Mars", "Visit the Red Planet in style, Low-gravity fun for everyone!", and "www.example.com". An arrow points to the text with the label "Old format: Users can click on all text and white space". On the right, the "New format" is shown in a red-bordered box. It contains the text "Luxury Cruise to Mars", "Visit the Red Planet in style, Low-gravity fun for everyone!", and "www.example.com". An arrow points to the title and URL with the label "New format: Users can click on ad title and URL".

# Google News

The screenshot shows the Google News interface. At the top left is the Google News logo. A search bar contains the text 'barack obama' and a 'Search' button, which is circled in red. To the right of the search bar are links for 'Advanced news search' and 'Preferences'. Below the search bar, the text 'News results: Standard Version | Text Version | Image Version Results 1 - 10 of about 1' is visible. On the left side, there is a sidebar with 'Browse Top Stories' and 'Recent' sections. The 'Recent' section includes links for 'Last hour', 'Last day', 'Past week', and 'Past month'. The 'Archives' section includes 'All dates', '2007', '2006', '2004', and 'Other dates'. The '2007' link is circled in orange. Below the 'Archives' section are 'Blogs' and 'News Alerts' (with a checkmark icon), and 'RSS | Atom About Feeds'. The 'News Alerts' and 'RSS | Atom About Feeds' links are circled in green and blue, respectively. The main content area shows three news results. The first result is titled 'Clinton attacks on Obama may boost McCa...' and includes a thumbnail image of a crowd. The second result is titled 'Obama aide's monster jibe a political change...' and includes a thumbnail image of a person on a horse. The third result is titled 'Obama Leads in Mississippi, Clinton in Pe...' and includes a thumbnail image of Barack Obama and Hillary Clinton. Each result includes the source, location, and time ago.

# Google Books

- Book content
- Finding accessible books
- Accessing books

The screenshot displays the Google Book Search BETA interface. At the top right is the Google logo with 'Book Search BETA' underneath and a search input field. The main content is organized into several sections:

- Fiction**: A list of sub-categories including Literature, Science fiction, Fantasy, Romance, Mystery, Fairy tales, Short stories, and Poetry.
- Non-fiction**: A list of sub-categories including Philosophy, Economics, Political science, Linguistics, Mathematics, Physics, Chemistry, and Biology.
- Random subjects**: A list of sub-categories including Voyages around the world, Nature, Photography, and Natural History.
- Interesting**: A section featuring two book covers: 'SONGS WITHOUT MUSIC: Aesthetic Dimensions of Law and Justice' by Donald Mackenzie, and 'ANIMALS AS SENTINELS OF ENVIRONMENTAL HEALTH HAZARDS' by the NATIONAL RESEARCH COUNCIL.
- Classics**: A section featuring two classic book covers: 'Ivanhoe' by Walter Scott and 'The pilgrim's progress' by John Bunyan.

# Copyright Status

- In US, books published before 1923 assumed out of copyright
- In other countries, based on local laws
- Conservative in:
  - Reading of copyright law
  - Known facts for a particular book

# Books in Public Domain

- Download feature:
  - Available in text as well as page images
  - Full pages available
  - All pages available
  - Problems or errors?
    - Go to “About this book” page
    - “Provide feedback” link
- Not all public domain books have download feature
  - Adding support as quickly as possible

# Books Under Copyright

- Author or Publisher in Partner Program
  - Provide permission to display limited preview
  - Generally 20% (can be more with permission)
  - No text view
- Otherwise
  - At most, snippets available
  - No text view

# Finding Books

- Book Views
  - Full View
  - Limited View
  - No Preview
- Filter for “Full View”
  - Advanced Search
  - Search Results page
- Check for “View plain text” link

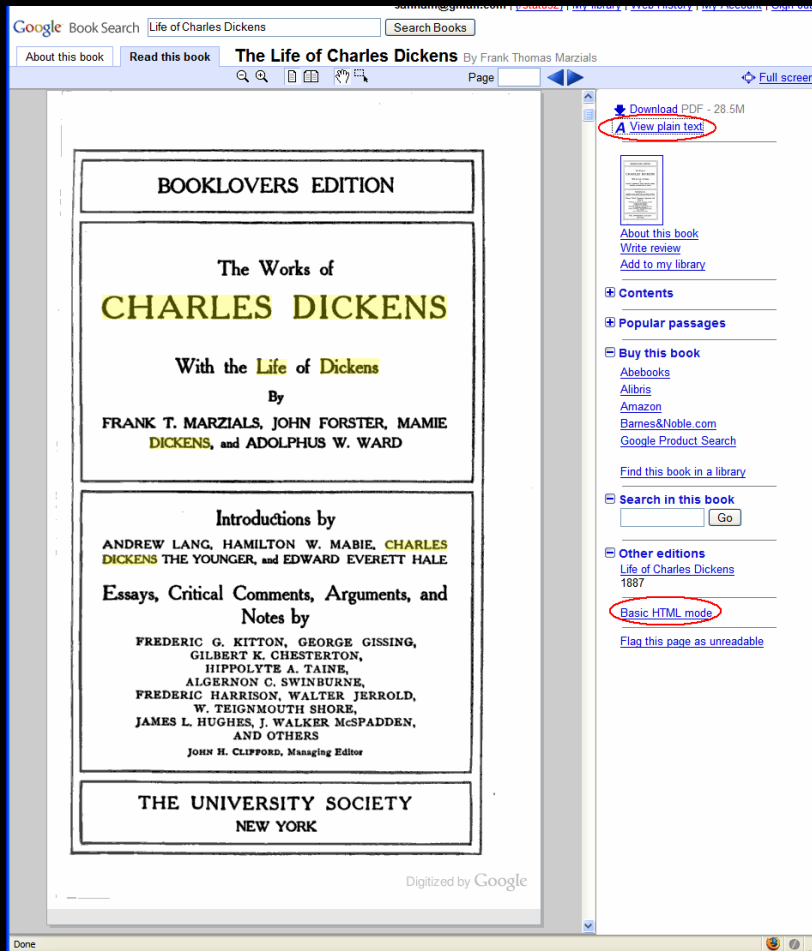

The screenshot shows a Google Books search results page. The search query is "the works of charles dickens". A red circle highlights the "Showing: All books" dropdown menu, which is expanded to show "All books", "Limited preview", and "Full view". Below the search bar, there are links for "Books by Charles Dickens" and "Books that mention Charles Dickens". The results list several books, including "The Works of Charles Dickens", "A Tale of Two Cities", and multiple editions of "David Copperfield". Each result includes a small book cover, the title, author, and publication details, along with links for "Full view", "About this book", and "Add to my library".
